

Letter of Medical Necessity

To be completed and signed by the patient's clinician

Date: _____

PATIENT

Patient name: _____ Date of birth: _____

CLINICIAN

Name and credentials: _____

Practice or facility: _____

Address: _____

Phone: _____ NPI number: _____

DIAGNOSIS

Condition(s) requiring a PICC or midline line: _____

ICD-10 code(s): _____ Line type: ☐ PICC line ☐ Midline

Expected length of time the line will be in place: _____

ITEM RECOMMENDED

Arm cover worn over a PICC or midline line and its dressing (for example, a Nova Medical Wearables PICC line cover).

Quantity recommended: _____ (to allow for laundering and replacement while the line is in place)

STATEMENT OF MEDICAL NECESSITY

The patient named above has a PICC or midline line as part of ongoing medical treatment. In my clinical judgment, an arm cover worn over the line and its dressing is needed for the following reasons related to the patient's condition and line care:

This item is recommended because of the patient's medical condition and would not otherwise be purchased.

Duration of need: ☐ 3 months ☐ 6 months ☐ 12 months Other: _____

Using your HSA or FSA for a Nova cover

Some HSA and FSA plans ask for a Letter of Medical Necessity before they reimburse a PICC or midline cover. This template makes it easy to ask your care team for one.

HOW TO USE THIS LETTER

- 1 Print page 1, or email this file to your care team.
- 2 Ask the clinician who manages your line (your doctor, nurse practitioner, or infusion or vascular access nurse) to complete and sign it.
- 3 Keep the signed letter with your Nova order confirmation.
- 4 If your HSA or FSA administrator asks for documentation, submit both.

GOOD TO KNOW

Every plan sets its own rules, including how long a letter stays valid. Check with your plan administrator if you're unsure.

Please don't send your signed letter to Nova. It contains your health information and is yours to keep.
